Lisa Setrouk – Web Developer & Designer

Israel, Natanya | lisa.setrouk@email.com | +972-54-779-2410 | Portfolio Website

Profile

I'm Lisa Setrouk, a passionate and detail-oriented web developer currently studying at HackerU College. I specialize in building responsive and user-friendly websites using HTML and CSS, and I'm constantly growing my skills with modern tools and technologies. I aim to create clean, accessible, and well-structured websites with a focus on user experience.

Skills

- **Languages:** HTML5, CSS3 (JavaScript – in progress)
- **Responsive Design:** Media Queries, Flexbox, CSS Grid
- **Tools:** VS Code, Figma, Git (beginner)
- **Soft Skills:** Self-learner, attention to detail, time management

Education

HackerU College – Web Development

2024 – 2025
